The event will focus on the mainstreaming and integration of an Age, Gender and Diversity (AGD) approach throughout good practices and pledges for the Global Refugee Forum. This event will discuss why and how an Age, Gender and Diversity approach can benefit stakeholders, by ensuring that pledges and good practices addresses the different systemic barriers faced by boys, girls, women and men, including those with disabilities, in accessing services and meeting their distinct needs, through a whole of society approach.

Tuesday, 25 June 2019

09:00-10:00

CICG – Room 4

Interpretation will be provided in English and French.
